Have You Noticed The Names In Black Face Type?

The Names

Appearing in BLACK FACE type in this Directory represent those who are public spirited and appreciate the fact that LOCAL ENTERPRISE is the power behind the City Directory, in brief, they are the Citizens who are making business–and history–for your City. The publishers are honored in making them better known to the public.

Patronize Them!

Foreword

We have counted all individual names in the alphabetical lists throughout this Directory and as a result find the totals as follows:

Warren, 22,245; Niles, 8,136; Girard, 4,498; McDonald, 767; Newton Falls, 1,833. Multiplying the foregoing figures by two (2) to cover children under 15 years of age and married women who are not included in the above count, would indicate a total present population for Warren, 44,490; Niles, 16,272; Girard, 8,996; McDonald, 1,534; Newton Falls, 3,666.

If only he knew where to look

Lots of folks hunt the hard way for information that is ***right at hand*** if they knew where to look.

They buy with part knowledge of those who sell; they guess at addresses; they waste postage and misspell names.

* * * all of which might be avoided by learning how to use the scientific compilation of information in the ***City Directory.***

DO NOTS

Do Not put your Directory in an out-of-the-way place, but keep it where you can find it quick.

Do Not think that a Directory is paying for itself unless you use it, any more than an idle dollar or clerk can make you money.

Do Not get mad when a customer asks to look at your Directory.

Do Not look happy when a neighbor wants to borrow your Directory, for if you do, he will borrow it again, and if all were borrowers, when would the next Directory be published?

Do Not forget that an up-to-date city must have a Directory and a merchant that has no Directory is what?

Do Not forget that a Directory borrower today will forget to return it tomorrow and you call him what?

Do Not forget that the man who has a Directory pays for it and the borrower gets for nothing what another man pays for. What do you call him?

DIRECTORY ADVERTISERS ARE DEPENDABLE--NOT "FIRE SALE" ARTISTS

The City Directory

is the most effective and economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The *Classified Lists* in the Business Directory form the best Buyers' Guide on earth. A modern, up-to-date method of getting what you want, when you want it.

Facts About Directory Advertising

It Is the Only Advertising that is not "hit or miss" from the fact that it can always be found when wanted.

It Is the Only Advertising medium that has no competition and is used by practically the whole community and is not used for kindling purposes a short time after issued—nor is it read once and thrown away.

It Is the Only Advertising which is on the job 365 days in a year and, in many establishments, 24 hours a day.

It Is the Only Advertising medium where you can advertise your goods with absolute certainty that the public can find this information when desired.

It Is the Only Advertising medium where you would look and expect to find what you want when you want it.

It Is the Only Advertising medium that represents every business house in the City, and to omit your sign therefrom is like neglecting to place your sign in front of your place of business.

There Is No Advertising to Compare With It—Cost and Service Considered

The City Directory

Represents

Conditions Today—

History Tomorrow

The men who direct the affairs of the city and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the world as no other publication does or can do.

It is the logical means of publicity in advertising the city, its industrial, commercial and social advantages.

Patronize the City Directory and you automatically boost your own business.

The sign over your door is a mighty good investment, but just consider how much "mightier" investment the Directory offers you.
